Size of the competition maps is either A4 or A3. Maps are sealed in plastic bags which are open from one end. Maps are offset-printed by Printcenter.

Control descriptions are printed on the map and available at the pre-start. No control-codes are printed by the control numbers on the map.

Map has been drawn in 2010 by Juozas Smalinskas and corrected in August-September 2011 by Markus Puusepp.
