At the pre-start quarantine area you will get warm-up maps and number bibs. On the warm-up map there is pre-start location shown there you have to be 6 min before your time start. Warm-up is allowed in all the area on the warm-up map.

There are showers and indoor space for dressing etc available in the gym building for competitors.

CLOTHES TO FINISH & FINISH QUARANTINE

Before going to start competitors can leave their bags/clothes for transport to the finish at the entry to the gym building. It is not allowed to return to

the pre-start quarantine area before 12:45. After that time you are allowed to return and take shower at Kreuzwaldi 16 gym. Clothes/bags will be transported to the lobby of culture house at the finish.

PRE-START

Pre-start is 6 minutes. Location of the +6-minutes line is shown on warm-up map. GPS devices will be handed to chosen participants at that point and instructions will be given how to move forward to the start.

MAP CHANGE

Both WRE classes pass through the arena during the race along a marked route, which starts from last control of first lap. There is map change on that marked 100 m route. A table with second loop maps stands along the route. Drop the first loop map and grab new map from the table. See the scheme below
