## **TERRAIN and MAP:**

This year's Cattle-let-out competition and Easter middle distance is going to take place on the south-eastern outskirts of Võru. Two distinctly different terrains are on offer: Saturday's long distance is in Umbsaare, which is a newly mapped area and is a representative of the rather rough South-Estonian ravine terrain type well-known from Kütiorg and Rõuge. Sunday's middle distance is in Palomõtsa, which used to be an army trainings ground and it is therefore a fast open pine forest with many pits of various sizes and other man-made landforms made of earth.

## **START PROCEDURE:**

At Letting-out-cattle-competition, classes M21A and N21A have mass start 13.30 and forked courses. Rest of the classes have interval start. At Easter Middle Distance all classes have interval start.
